Why Become A Tournament Sponsor?

- **Year-Round Visibility:** Ongoing brand recognition across Middle Tennessee.
- **Community Connection:** Engage with the Middle Tennessee community through mission-driven events.
- **Senior Leadership Access:** Connect with leaders from one of the region's most respected hospital systems.
- **Targeted Engagement:** Reach distinct audiences—clients, vendors, and employees.
- **Exclusive Venue at a Premier Golf Course:** The Grove Club, an 1,100-acre private, gated resort community Williamson County's only Greg Norman Signature championship course.

Delivering A Legacy of Care Ascension Saint Thomas Rutherford Hospital has long been a place where families begin their stories. As our community evolves, our facilities must evolve with it. Our vision is to transform our Women's and Obstetric Services into a modern, welcoming, and state-of-the-art environment—one that honors our history while elevating every moment of the birthing experience.

This transformation is more than a renovation. It is a commitment to creating a nurturing environment that supports families during life's most sacred moments and lays the foundation for healthier futures across Rutherford County. By pairing advanced medical technology with thoughtful, family-centered design, every space will reflect the compassion, innovation, and clinical excellence our patients trust.

Our Plans Include:

- Four new Labor & Delivery rooms to reduce overflow and wait times
- Nine new Postpartum rooms to enhance comfort and recovery
 - Modernized Labor & Delivery rooms designed for privacy, comfort, and efficiency, along with enhanced postpartum spaces that support healing, bonding, and recovery.
- Dedicated cohorting for OB/GYN and GYN patients to improve efficiency and outcomes
- A satellite well baby nursery with 10 bassinets that allows infants to remain closer to their mothers
- Improved clinical workflow and more predictable scheduling—supporting physician satisfaction and retention

We invite you to be part of this life-changing impact. With your sponsorship, we can ensure that every mother's first embrace and every baby's first breath happens in a space designed for comfort, safety, and excellence. Together, we can create a lasting legacy of care—one that lives on in every story that begins at Ascension Saint Thomas Rutherford Hospital.
